

## **Honorary Member Presentation**

Speaking notes, E. Philip Cockshutt

Our ByLaws, Secn 6, indicate Honorary member ....

“an individual appointed by the Board in recognition of support to CACOR”

Honorary members currently include Ed Napke and Drew Wilson, **long-time** members who have provided **sustained support** to CACOR

Pleased to report that your board has decided to extend an honorary membership to **Sheila Murray**

Sheila

- served as CACOR Chair for several years,
- was the prime instigator of the 2013 CACOR hosting of the Symposium on Governance, along with the AGM of the Club of Rome
- has been a singularly active and effective member of the Club of Rome
- has been a dynamic member of its Executive Committee.

Sheila gives brand-new meaning to the term “indefatigable”, and she has achieved impressive results.

Extremely pleased to formally welcome Sheila as Honorary Member

As a modest token of appreciation, we are encouraging her equally indefatigable energies in the garden.
