

**Canadian Meteorological and Oceanographic Society: Ottawa Chapter**

Upcoming Luncheon Meeting Notice: Wednesday 28 October 2015

SPEAKER: Phil Chadwick, retired meteorologist and "plein air" artist

TITLE: Science as an Art

ABSTRACT: The future of science could well be through the arts... which leads us to the education system of the future. The content of this presentation will be a bit about Tom Thomson... a bit about my art and how it has influenced my science, a bit about green energy ... and finally a bit about climate change.

PLACE: Rideau Canal Junior Ranks Mess, 4 Queen Elizabeth Drive, Ottawa. Side entrance, Harmony Room, fourth floor (elevator available)

COST: Members \$20.00, Non-members \$25.00, Students \$10.00, payable at the door, lunch included

TIME: 12:00 noon. Wednesday 28 October 2015

MENU: will be posted soon and included in the reminder message

PARKING: On-street parking in the vicinity

RSVP: Please confirm your attendance by Friday 23 October by Doodle at:
